Work Experience

UX Design Intern, athenahealth

Boston, MA | Jun 2023 - Aug 2023

Owned end-to-end design of revenue cycle management features within a Web B2B medical billing portal, aligning with business objectives for optimized client experiences (Q1 2024 release)

Led 84% increase in user satisfaction by iteratively redesigning medical dispute workflow in Agile sprints, collaborating cross-functionally (Product Managers, Engineers, UX Writers/Researchers)

Initiated and conducted user testing with 5 participants, confirming design direction and identifying areas for future feature enhancement

UX Intern, Ringle

South Korea | Apr 2022 - Jul 2022

Enhanced user satisfaction by 63% by redesigning tutor mobile profiles (Web, Android, iOS) of English tutoring platform

Led 15+ in-depth user interviews to uncover pain points, collaborating with data scientists for integrated quantitative analysis. These insights informed a new UX strategy and marketing campaign

UX Designer, NHIS - KAIST UX Design Research Center

South Korea | Mar 2020 - Jun 2020

Designed a mobile robo-advisor service in partnership with product designers and investment professionals, personalizing investment recommendations; received Red Dot and iF Design Awards

Established a visually appealing mobile design system to ensure a cohesive user experience

Product Designer, Pavilion Corporation

South Korea | Dec 2019 - Mar 2020

Spearheaded the MVP design of web-based AI vocal analysis software as a solo designer

Shaped product direction through diverse user research methodologies (competitive analysis, user interviews), ensuring strong product-market fit
